Patricia Stallworth, MBA is a money coach, a financial empowerment activist, the author of *Minding Your Money* and the host of the Minding Your Money Minute Podcast that has over 10,000 listeners each month. She helps individuals and business owners live life on their terms by transforming their relationship with money.

She has worked inside and outside of the corporate world -- working in a consulting or advisory capacity for firms like Deloitte & Touche and American Express Financial Advisors -- and teaching advisors and individuals in the CFP (Certified Financial Planner™) and CDFA (Certified Divorce Financial Analyst)

MOTIVATIONAL & ENTERTAINING SPEAKER / ENGAGING MEDIA GUEST

Patricia uses a mix of humor, life lessons and motivation in her talks. She is noted for her quick wit and her ability to turn even the most complex money concepts into ones that are easily to understood. Her core message is that earning money is just half of the equation. To achieve financial freedom, she says, you must also *mind your money*.

Her programs are content rich and packed with concrete tools and strategies that audiences can be put to use immediately.
